

TEAM COMPETITIONS

BAR

BEST-ALL-ROUNDER

We'll look at where each team member placed within their age group (M/F/Non-Binary in 5y groupings). We'll take the average of your **best four** to come up with a BAR placing.

If we need a tie breaker, the win goes to the team that had their placings in more competitive categories (more people competing in that category).

If we STILL need a tie breaker, ya'll are gonna have to all race the triathlon to decide. Or we'll do push-ups. Or paper-rock-scissors. Or maybe we'll all just have a beer say you both won and call it a day.
